## Welcome to the new Herman and Kate Kaiser Library!

This beautifully designed 10,000-square-foot modern library is nestled in the natural surroundings of the Gardens in LaFortune Park.

The exciting new library, which shares space with the Buddy LaFortune Community Center, was made possible by the foresight of the Tulsa County Commissioners and County Parks Board, who had the dream of a library as part of their Vision 2025 funded community center. The Tulsa City-County Library Commission caught the dream and the Tulsa Library Trust stepped up to the plate and raised the funds for this 100-percent donor-funded library!

The Herman and Kate Kaiser Library features a nature-inspired theme including a whimsical children's area where you can gaze out large windows at sculptures of a large rabbit and Mother Goose. The sculptures are more than life-size, and the imagination of a child will run wild as he/she listens to storytime stories while gazing outside into the gardens.

The library also features more than 50,000 books in its collection as well as 20 computers for public use. The Herman and Kate Kaiser Library is the neighborhood library for students and faculty of nearby Key Elementary School and Memorial High School as well as serving the wonderful community that encompasses the LaFortune Park area and beyond.

Your generosity helps to make the library a favorite place to read, study, hold a business meeting or surf the Web.

**The names of all donors at the \$100 level or more are displayed permanently in the library on our donor wall.**

Donations are ongoing and will be placed in a Maintenance Endowment for repairs, purchasing of new books and materials for the library's collection as well as replacing furnishings.
